A. PIGS	Answers	Comments
---------	---------	----------

A1	How many breeding pigs do you have on-site?	
----	---	-------	--

A2	How many weaner-finisher pig places do you have on-site?	
----	--	-------	--

A3	Have any pigs been brought on to the farm in the last 6 months? (Answer yes if lorries ever arrive with other pigs on board)	<input type="checkbox"/> Yes <input type="checkbox"/> No	If no go to A9
----	---	---	----------------

A4	How many pigs were brought onto the farm in the last 6 months as a percentage of the herd size?	<input type="checkbox"/> 0% <input type="checkbox"/> <5% <input type="checkbox"/> 5-49% <input type="checkbox"/> >50%	For breeding herds this will be the replacement rate; for rearing herds this will be the total no. of pigs brought on to the unit/total pig places x 100
----	---	--	--

A5 From how many sources were pigs brought on to the farm in the last 6 months?

0
 1
 2
 3
 >3

A6 How many times were pigs brought onto the farm in the last 6 months?

0
 1
 2
 >2

A7 Was there a vet-to-vet discussion of the health status for all pigs sourced over the last 6 months?

Yes
 No

A8 In the last 6 months did you keep all newly introduced pigs for at least 4 weeks in an isolation facility that is more than 300m from any other pig buildings and that is operated to minimise the risk of introducing disease e.g. protocols for staff, C&D, AIAO, testing?

No isolation or AIAO
 Isolate but do not test
 Isolate and test (or AIAO by site)

A9 From how many sources was AI purchased in the last 3 months (excludes semen collected on the farm)?

0
 1
 >1

A10	How many pig units are within 3 miles of your farm?	<input type="checkbox"/> 0 <input type="checkbox"/> 1 <input type="checkbox"/> 2 <input type="checkbox"/> >2	If 0 go to A12
A11	How many pig units are within 1000m of your farm?	<input type="checkbox"/> 0 <input type="checkbox"/> 1 <input type="checkbox"/> 2 <input type="checkbox"/> >2	
A12	Have feral pigs or wild boar been seen or reported within 3 miles of this site in the last 6 months?	<input type="checkbox"/> Yes <input type="checkbox"/> No	

B. Fomites

B1	Have you used a deadstock collection service in the last 3 months?	<input type="checkbox"/> Yes <input type="checkbox"/> No	If no go to B3
B2	Have any dead-stock vehicles entered the site in the last three months?	<input type="checkbox"/> Yes <input type="checkbox"/> No	
B3	Have any pig lorries delivered to or picked up from the site in the last 3 months (includes your own transport)?	<input type="checkbox"/> Yes and drive onto unit <input type="checkbox"/> Yes but there is a loading bay at perimeter that is always used but it is not approved to Defra standards <input type="checkbox"/> Yes but there is a loading bay at perimeter that is always used and is approved to Defra standards <input type="checkbox"/> No	If no go to B7

The biosecurity questionnaire was developed with input from specialist pig vets and others. Special thanks go to John Mackinnon, Susanna Williamson, Mike Wijnberg, Mark White, Nigel Woolfenden, Alex Thomsett, Sam Hoste and Derek Armstrong.

Eastern Pig Health Biosecurity Questionnaire

B4 Did any pig lorries come to the site direct from an abattoir or from another pig unit (includes your own transport)? Yes
 No

B5 Have any pig lorries that in your opinion had not been properly cleaned and disinfected entered your pig unit in the last 3 months? Yes
 No
